

**TENNESSEE FEDERATION OF REPUBLICAN WOMEN  
CONSENT TO SERVE**

I, \_\_\_\_\_, acknowledge that I have been nominated to serve as \_\_\_\_\_ of the \_\_\_\_\_ for a two year term beginning \_\_\_\_\_, and I consent to serve in this position, if elected.

I fully understand that this position requires that I serve the members of Executive Committee of this Club, and its members, and that I am bound by the Bylaws, Standing Rules and Objectives of this Club and the Tennessee Federation of Republican Women (TFRW). I acknowledge my responsibility to always place the interest of the Club and the TFRW above my personal considerations.

I understand that email communication is the primary form of communication, and I will read my emails promptly and will respond as quickly as possible.

I pledge to faithfully execute the responsibilities of the office for which I have been elected. I further pledge to uphold the Bylaws, Standing Rules and Objectives of this Club and the TFRW.

As \_\_\_\_\_, if elected, I will carry out my duties as set forth in the TFRW/Club Bylaws. (See "OFFICERS AND THEIR DUTIES") *Specifically*, if elected as President, I will call all meetings with notice to the members, and a copy to the Area VP and the TFRW President, as required in the Bylaws, I will have an agenda for each meeting, I will have a treasurer's report, and I will have minutes read and taken at each meeting. As the Bylaws require, I will call a meeting specifically for "electing" a nominating committee, and as required by the Bylaws, I will duly call a meeting in October for the purpose of electing officers. If elected as Secretary, I will take the minutes of the meeting as required, and I will have written minutes to read at each meeting. If elected as Treasurer, I will keep accurate records and have a written report to read at each meeting. At the end of each term, I acknowledge that a financial review is required.

I will, to the best of my ability, serve as an example of the TFRW and my Club in all my actions. I will uphold and support the decisions made by the TFRW Executive Committee and/or TFRW President.

I acknowledge that any failure by me to abide by this Consent to Serve may result in actions of discipline by the TFRW Executive Committee. I further understand that if I have questions about any issue, I can contact any of the following people for help: TFRW President, Area VP, or Bylaws Chair.
