Bringing Women to the Table

The Tennessee Federation of Republican Women (TFRW) is a grassroots volunteer political group organized to promote Republican values and to help Republican candidates be elected. TFRW is a member of the National Federation of Republican Women (NFRW) which was founded in 1938 and has over 75,000 members.

Since its founding in 1955, the Tennessee Federation of Republican Women has championed the cause of engaging, educating and empowering women in the political process and providing a forum for women to serve as leaders in the political and civic arenas.

The Tennessee Regents donor program has been established to play a key role in helping the TFRW fulfill its

primary mission of bringing more women to the table. The generous contributions of our Regents will help us to accomplish this mission by financially supporting:

- ✦ A wide range of TFRW education and training programs
- ✦ Special projects, networking events, special speakers and other activities

All of the above helps Republican women stay informed and develop skills that allow us to achieve our goals at the grassroots, state and national levels.
