RESOLUTION

A Resolution to support the nation of Israel as it defends itself against attack

WHEREAS, The Holy Bible, infallible and inerrant, provides an introduction to "Nature's God," in the words of the Declaration of Independence and referenced to in all fifty state Constitutions, as well as a history of the Jewish people and the nation of Israel beginning prior to 2000 B.C.;

WHEREAS, Genesis 15:18 records God permanently granting to the Jewish people an area of land with specific borders intended to be their homeland;

WHEREAS, Jews have been living continuously in the land that is now Israel for millennia, attested to not only in the Bible but also in archeological discoveries and more recent historical records;

WHEREAS, Israel has demonstrated its interest in regional stability and peace evidenced by only engaging in military action in response to hostility against it, rather than motivated by a desire for conquest and by the number of trade and peace agreements signed with surrounding neighbors;

WHEREAS, On October 7, 2023 Hamas, a US-designated Foreign Terrorist Organization, launched a brutal, massive, unprovoked war on Israel;

WHEREAS, The State of Israel has the right to defend itself and its people;

WHEREAS, Israel has demonstrated its respect for human life by taking care to announce military strikes in advance and giving civilians time to evacuate targeted areas;

WHEREAS, The United States has maintained a position as a strong ally to the nation of Israel since 1948 when it officially re-occupied land originally given to it by God;

WHEREAS, The United States and Israel share a commitment to respect for human life, democracy, economic prosperity and regional security;

WHEREAS, Hamas, through the words of its own charter, is committed to the obliteration of Israel;

WHEREAS, American universities and outside influences have indoctrinated America's youth to oppose the right of Israel to exist;

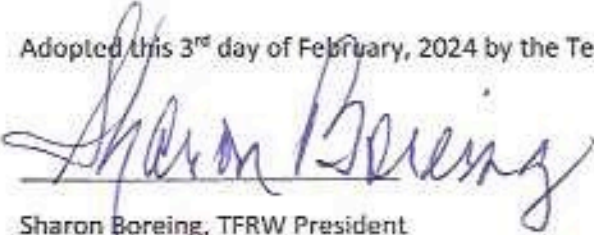

WHEREAS, Demonstrators in America and around the world are calling for the destruction of Israel; and

WHEREAS, Genesis 12:3 records God promise to bless those that bless Israel and curse those that curse Israel;

RESOLVED, That the Tennessee Federation of Republican Women stands in support of Israel and its people; and

RESOLVED, The Tennessee Federation of Republican Women calls on the media to properly tell the truth about Israel's right to exist and the fact that Hamas and its supporters are calling for Israel's destruction.
